

Picture Day 2018

Picture Day Weekend is right around the corner! On April 13th and 14th, each class will have a set time to arrive and have their photos taken in their recital costumes (see attached schedule)! Friday and Saturday dance classes will continue as normal on those days. Individual pictures will be taken in room 175 (near studio #1) and group shots will take place in dance studio 1 at our NHLC studios. *It is very important that you are ready (in costume) at the check in time listed on the form attached so everyone can make the picture and we stay on schedule.* Thank you for understanding!

Picture Day Preparations:

- Hang up your costume as soon as you bring it home to have time to help reduce so there aren't any wrinkles or funny lines. See Costume Care sheet (in costume bag) for specific instructions.
- Wear all costume pieces and accessories as directed by your teacher. Small studded earrings are fine to wear, but please no dangling earrings or other jewelry. Dancers who wear tights should not wear underwear so that underwear lines or patterns do not show through.
- Remember to pack your dance shoes to wear for pictures.
- No nail-polish, temporary tattoos, colorful bandaids etc.
- You can choose to wear a little make-up for the pictures, but remember to keep it looking natural so your own beauty and handsome features can shine through!
- You may wear any hairstyle of your choice for pictures, but please make sure it is neat and picture ready. Teachers will share your recital hairstyle later this Spring.
- Prior to picture day you will receive an envelope for your picture orders. You should bring your envelope filled out and ready to go when you arrive for pictures.

On Picture Day:

1. Please arrive 15 minutes before your *check in time* so you have enough time to change into your costume (check in times and picture times are on schedule attached).
2. Once you are all set to go, please check-in at the table near the dance office.
3. Wait in the hallway until your class is called into room 175 for individual pictures. If you are not purchasing individual pictures, we still ask that you stay with your group.
4. After individual photos, dancers will move as a class into the dance studio for their group photo. Once the group shot is finished you are free to leave. From check-in to finish, each class will take approx. 15 minutes.
5. Even if you don't plan on purchasing pictures, we would love for everyone to attend picture day and be a part of the group photo which will be featured on our recital slide show. *If your dancer will NOT be able to attend picture day, please contact Mary in advance.*

We look forward to this day to capture these special memories!
