Welcome to Celebrate Dance Academy!

In the following pages you will find our schedule for the 2022-2023 season.

Dance classes run from September-May, and each dancer participates in a fully produced recital at the end of the season. For full class descriptions and teacher bios please refer to our website:

To Register For Classes: Visit our website at CelebrateDanceAcademy.com and click on the "Register Now" tab. From there, you will be directed to dancestudio-pro.com to complete your registration.

Current dancers: All current dancers already have an account on DanceStudio-Pro which must be used to register for classes. Contact Mary if you need your password resent to you. For "Level" classes, eligible classes will appear on your selection list on April 15th.

New dancers: Please create a Parent Portal at dancestudio-pro.com/online/celebrate. Be sure to complete all fields when registering your dancer. If your dancer's birthday information is not included you will not be able to view any classes.

Level Classes: When looking at our schedule, you will see "Level" classes listed. These classes require instructor approval and placement prior to registration. Students currently enrolled in Celebrate level classes receive placement letters in the mail. If you are NEW to Celebrate and have prior dance experience, please e-mail Sarah to set up a placement audition. Level classes are designed for the dancer who wants to focus on dance as their main extra-curricular activity. Classes are fast paced, have more performances throughout the year, and offer a more intense learning environment.

Performance Classes: All of our Level 3+ dancers will have the opportunity to perform in the Christmas production. Our Level 1-2 dancers will focus on technique during the fall, and perform a recital piece at the end of the year. Level 1-2 dancers who are wanting an extra performance opportunity are invited to register for our short term performance class for the Christmas show!

Mosaics Dance Company: Mosaics is a modern dance based student and pre-professional development company. Its mission is to deepen dancers' technical abilities through expression and performance as well as grow in community with fellow dancers dedicated to their craft. Through improv, company class, repertoire, and a final performance Mosaics seeks to connect the dancers and audiences on a deeper level with their faith and the human condition. Rehearsals run September-February and end the season with a dance concert. Auditions open to ages 14+. Contact Sarah for audition details.

Conservatory: The Conservatory Program is an auditioned program for dancers ages 13+ seeking a high level of training through a well-rounded focus in dance. Dancers in this track are inspired to grow in their technical and stylistic range, while gaining the knowledge and basis of dance history, anatomy, nutrition, and composition. Ideal for the dancer who is looking to study dance beyond high school, pursue a dance degree, perform in a company, in musicals, or teach dance. For more info, contact Sarah.

Virtual Learning Option: Distance learning option available through Zoom for dancers who need the flexibility of moving from home. Email Mary for more information and to reserve your spot in a class through our distance learning offering.
