DANCE ACADEMY

Celebrate Dance Academy (CDA) is a non-competitive dance experience committed to nurturing dancers of all ages to be artistically excellent and spiritually grounded leaders.

Founded in 2001 by Tracy Pearce as a ministry of North Heights Church, CDA has welcomed thousands of dancers into the studio spaces over the last 25 years and provided a nurturing environment for dancers to grow in their faith and creativity.

CDA creates a joy-filled and empowering learning experience where all ages and abilities are welcome. Dance classes take a holistic approach, valuing each dancer as a unique creation of God and providing an environment where each dancer is supported in body, mind, and spirit.

An exciting class offering that's perfect for energetic boys and girls! Dancers ages 4-6 will learn hip hop and jazz in a colorful and upbeat environment. Dancers will learn the basics of rhythm and finding the beat of the music.

Pom Jazz

An exciting and upbeat jazz class focusing on skills and tricks that may be found in pom dance teams. *Separate fee for pom poms is \$25 and due by first day of class.

Ballet

Ballet is characterized by graceful, fluid movements with the effort to give the illusion of weightlessness. Dancers will learn a blended method of classical ballet technique that builds and refines strength, flexibility, coordination, and precision. Exercises done at barre, in center, and moving across the floor will encourage dancers to grow in their musicality, self-expression, and ability to perform complex movement combinations, while also incorporating elements of history, terminology, and classical repertoire.

Pre-Level Ballet

Pre-Level ballet is geared towards the dancer who would like to pursue a level ballet class. The class is designed to prepare them for next ballet steps as they commit to this dance style. *Level placement not guaranteed by taking this class, audition required for Levels*

Pointe

These classes are for intermediate and advanced dancers by instructor permission only. Classical pointe technique, as well as strength and conditioning exercises will be taught.

Class Descriptions

Modern

Dancers will explore movement through classical modern training and concepts such as rise/fall, push/pull, and contract/release. Classes are a fusion of modern techniques such as Limon, Horton, Release Technique, Taylor, and Cunningham. Through floor work, center phrases, partnering, and across the floor movement dancers will gain improvisation skills, develop their own artistry, and grow in their dynamic range of movement.

Tap:

An exciting, rhythmic dance form! Dancers will explore musicality, rhythm, accents, and expression through this percussive dance form.

FAQ

When does enrollment close? Enrollment for age-group based classes remains open through December provided there is space in the class. Most classes fill up quickly, so we recommend registering as soon as possible for your preferred class.

How often do classes meet? Classes meet once per week from September through May (through recitals).

My child doesn't have any prior dance experience – is that okay? Yes! Celebrate is proud to offer entry-level classes for ages three through adult. This is a great way to try a new activity with similarly aged peers.

What should my child wear to class? Dress code and shoe requirements are listed at CelebrateDanceAcademy.com under the "current dancer" tab. We sell new and used dancewear and dance shoes at our studio store.

Will there be a recital? Yes! All classes (except session-based classes and beginning pointe) will participate in our spring recital in May. This highly anticipated event allows dancers to demonstrate and celebrate all that they have learned throughout the year! In November, each class will be shown a picture of the costume they will get to wear on stage! Dancers are measured and costumes are ordered in November, and costumes arrive any time between January-April. The costume fees are noted in handbook.

When do dancers learn recital choreography? September through December is spent learning steps and refining technique. In January, dancers begin learning choreography for our spring recital!

How do I stay up-to-date with happenings at the studio? Our primary mode of communication is email! Please make sure your account on Studio Pro has your correct email address listed. Current students will be sent monthly newsletters, reminders, and more!
